TO: Single Family Design Guidelines Update
Steering Committee Members

FROM: Heather Baker, Project Planner

SUBJECT: Transmittal #2:
Materials for Steering Committee Meeting #3: June 11th, 2004

Enclosed are additional materials for your review and consideration in preparation for the Single Family Design Guidelines and Neighborhood Preservation Ordinance (NPO) Update Steering Committee meeting discussion on June 11th at 1:30 PM at the David Gebhard Hearing Room.

- **Meeting Agenda**
- **Size, Bulk, & Scale Definitions Issue Paper**
- **Notes from the last meeting**
- **Parcel Data:** Enclosed tables show parcel data for Santa Barbara's Neighborhood Visual Survey Workshop area groupings for your reference. This data will be useful in later discussions regarding Floor to Area Ratios and other topics, but it may be helpful to begin to familiarize yourself with the City's parcel size patterns early in the update process.
